Sex by Numbers: What Statistics Can Tell Us About Sexual Behaviour
By David Spiegelhalter
Profile, 368pp, £12.99 and £7.99
ISBN 9781783252928 and 9781783260953 (e-book)
Published 2 April 2015

Danny Dorling gets to grips with in-your-face, full-frontal calculations of carnality

Danny Dorling is Halford Mackinder professor of geographies, University of Oxford. He is author of Injustice: Why Social Inequality Still Persists, which has just been published in an updated second edition.
