Figure 3.8.5: The British Isles shaped by the wealth of the super-rich, 2014

The Sunday Times Magazine produces an annual report on the wealth of the 1000 richest families in the UK and Ireland. In 2014 it included a regional breakdown. The total area of the cartogram is proportional to the total wealth of these 1000 richest families and the circles drawn for individual families show the total wealth of those particular families who are the richest within each region and the 10 richest in London.
